Chesterton, Indiana– The Duneland Family YMCA kicked off their weekly Teen Night Friday, September 25 at 6:00pm and is welcoming all teenagers (ages 13–18) at the cost of \$1 per student.

Teen Night welcomes all teenagers interested in participating in fun and exciting activities planned by the Duneland Family YMCA's very own Teen Night Committee, operated by teens. There is an entry fee of one dollar per student attending, regardless of membership. All proceeds will provide future entertainment and special events to keep Teen Night an ongoing success. Activities such as: dodge ball, basketball, flag football, bean bag toss, Dance Dance Revolution (DDR), Guitar Hero, and wall ball are just a few of the enjoyable activities to be hosted throughout the year. Special events such as tournaments, dances, and cookouts will also take place on varying dates.

The Duneland Family YMCA is a non-profit organization that strives to put Christian principles into practice through programs that build healthy spirit, mind, and body for all. The Teen Night Committee has been implemented for teenagers to learn and practice leadership skills through a structured environment.
